SOCIAL AND PERSONAL.

Commencement Exercises Last Night at Masonic Temple.

Committee Decides Upon D. A. R. Medal—Testimonial Recital—Social Items.

The committee to decide upon the best essay written by a public school scholar on the subject, "The Treason of Benedict Arnold, and its Effect on the American Revolution," have finally concluded that the essay written by Sadie Eason on this subject is entitled to the prize. This young scholar will therefore on Friday, the 22d, be awarded the gold medal offered by the Great Bridge Chapter, Daughters of the American Revolution, for the best essay on this subject. There were forty papers submitted, and the committee, which was composed of the following gentlemen, Dr. Herbert M. Nash, John Graham, Jr., Robert M. Hughes, H. B. Bagnall, and Richard A. Doble, found it a difficult matter, after the four best among the number had been chosen, to decide which was really the best, as all of these four papers were excellent. They were written by Sadie Eason, Winifred Le Cato, Annie L. Reynolds and William L. Castle. The committee finally decided in favor of Sadie Eason. All four papers were very deserving. Attention was also called to the essays of two smaller girls, those of Clara Eliza Schell, aged 11 years, and Evelyn Stone, aged 12 years. When these essays were referred to the regent, Mrs. S. L. T. Hubbard, the essay by Clara Schell was thought to be so worthy of merit that a smaller medal was awarded her as an incentive to all to do their best in this annual contest for the honor.

This idea conceived by the Daughters of the American Revolution of offering a medal for the best essay on a revolutionary subject is a most commendable one, inasmuch as it does not only interest in the history of those times, but also cultivating a love for study. The Hampton and Staunton Chapters, D. A. R., following in the footsteps of the Norfolk Chapter, are also offering annual medals.

A committee of ladies will meet Mr. Doble on the 22d (Friday), and after the exercises at the High School they will proceed to Grammar School No. 1, Brambleton, where the prize medal will be awarded to Miss Sadie Eason, after which they will proceed to Grammar School No. 2, where the other medal will be given to Clara Eliza Schell.

A called meeting of the officers of the Daughters of the American Revolution will be held at the residence of the regent, No. 159 Granby street, on Monday at 7 o'clock.

FOOD CURE.

Results in Change of Diet are Wonderful.

"Good food, properly selected, will, in my opinion, cure almost any ordinary disease. I want to tell you my experience and of my recovery by the selection of the proper diet. I am a business woman, very closely confined indoors, with considerable care and anxiety. Some time ago I had a severe case of the grippe and after recovering from it, had a serious time following, as many people do.

"I was unable to get well until I changed my diet, leaving off Mocha and Java coffee and using the Postum Food Coffee in its place, and taking up Grape-Nuts breakfast food. This winter I have given both a fair and continued trial and the results are superb. I am restored to perfect health and strength, and as you claim, I have a 'reserve force' bodily and mentally, that carries me through many hard places.

"I cannot praise the food too much, for it will, if used steadily, cure all disturbances of the system caused by the congestions a gripe is answerable for. A dish that contains the most powerful rebuilding elements, can be made as follows: hot milk brought to a boil, break in two fresh eggs and as soon as the eggs set, pour the boiling milk and eggs over some Grape Nuts in a soup dish. No breakfast of meat can be so good.

"I use Grape Nuts in this way every morning and have no sense of lack of food all day. I have kept well and remarkably free from colds all winter, which I attribute to a fine condition of health, brought about by the use of the famous food and of Postum Food Coffee." (Grape-Nuts are perfectly cooked at factory and are usually served cold, with a little cream or milk.) Mrs. C. S. Woodward, 21 Grenada St., St. Augustine, Fla.

of the students were graduated, Rev. B. D. Tucker, in a few appropriate words, presenting the diplomas.

The program included vocal and instrumental music, and delivery of medals, diplomas and prizes. The hall was decorated for the occasion in palms and white flowers, and a large and select audience was present to greet the young girl graduates and their attendant schoolmates. They were all dressed in white, and presented a fair picture as they entered to the sweet strains of a march, and took the places assigned them.

There were six graduates, as follows, the three last being full graduates:

Miss Hildegard Lucas Chamberlaine, Miss Jane Byrd Page, Miss Lizzie Barker Foster, Miss Lucile Carrington Billorey, Miss Bessie Virginia Guy, Miss Carleia Calvert Truxton.

Following the program, at the conclusion of which a reception was tendered the graduates, when refreshments were served, and a social time enjoyed.
